

# RISE QEP Executive Summary

Radford's mission is "Cultivating relationships among students, faculty, and staff" and provide "an educational environment and the tools to address the needs of our students."

The QEP aligns with the mission and values (student success, academic excellence, and community service) and is based on institutional data identified through evaluation and planning processes.

On campus and in the classroom, we are enhancing students' self-confidence and motivation to participate in class and campus activities. The RISE QEP will help us reach our goal of increasing student-faculty relationships.

Our primary target is for all students to participate in the RISE

program. We expect to reach our goal of 100% participation by the end of the year. The RISE program will be implemented in the fall of 2023.

The RISE program will be implemented in the fall of 2023. We expect to reach our goal of 100% participation by the end of the year.
